# 11262-11264 La Grange Avenue 2013 Beloit Avenue

## Property Description

The property is comprised of six bungalow style buildings being used as creative office space. The owner occupies all six buildings for his design and architectural firm. The highest and best for this property is to redevelop the lot and build condos. The property lies on three contiguous parcels, and the corner lot at 11250 La Grange can also be purchased for \$1,395,000. This would give a developer an additional 5,314 square feet of land, bringing the total square footage to 21,600. All of the lots are zoned R-3.

The property is currently gated and there is parking for approximately ten cars; eight on the La Grange lots and two on the Beloit Lot. There is a large courtyard in the middle of the property and the bungalows are on either side.

The property is located just west of the 405, just north of Olympic and south of Santa Monica Boulevard. It is bordered by Brentwood, Santa Monica, and Westwood. There are many restaurants and businesses within walking distance. The beach is approximately 5 miles away and Beverly Hills is approximately 4 miles away.

A developer will have the ability to build approximately 20 condo units on the 3 parcels (buyer to verify with the City). Based on that assumption, the property is listed at just under \$200,000.00 per unit. 2 bedroom condos in the area range from \$550,000.00 - \$750,000.00
